**MINUTES OF THE EXECUTIVE BOARD MEETING (ABRIDGED)**  
**OCTOBER 7, 1982**

The Executive Board of the South Carolina Library Association met at the Carolina Inn in Columbia on Thursday, October 7, 1982.

President Gerda Belknap called the meeting to order. Ginger Shuler moved to dispense with the reading of the minutes for the July 30, 1982 meeting. The motion was duly seconded and passed.

Treasurer's Report: Donna Nance reported income to date of \$11,933.69 and expenditures of \$8,423.29. She pointed out that receipts for membership dues have now exceeded the amount budgeted. Also, the figures for interest income do not include third quarter income. Donna told section chairmen that she will do a separate convention expenditures report for each section. Income for exhibitors at the convention is projected to exceed \$4,800.

Executive Secretary's Report: Gerda distributed Lou Whitmore's written report. She pointed out that there were a large number of pre-convention mailings and that Lou worked more than her allotted hours to get them all done. Gerda strongly suggested that section chairmen try to organize their mailings better and spread them out over the year.

President's Report: Gerda announced that Frankie Cubbedge has been elected ALA Councilor and welcomed her to the board. She reminded section chairmen to get their annual reports in to Sarah McMaster as soon as possible.

Gerda said she felt this had been a good year for SCLA and that the new dues structure and a new transition process for officers had presented very few problems. She pointed out that we had stressed future planning as a goal and urged section leaders to encourage their successors to plan ahead as much as possible. Tight travel budgets mean that workshops must be planned and announced far in advance. Gerda complimented the sections on the variety of workshops and programs held during the year which contributed greatly to professional growth and development. Another SCLA goal this year was to promote intellectual freedom so that librarians around the state can begin to plan strategies to cope with challenges to library materials.

1982 Convention Report: John Landrum, Exhibits Chairman, stressed that SCLA was lucky to have attracted so many exhibitors and urged everyone to visit the exhibits and register for the cash prizes. Pre-registration for the convention was 343 people. A total of 218 luncheon tickets and 146 banquet tickets have been sold. Paul Dove, 1st Vice-President, praised Lea Walsh and the Local Arrangements Committee for a fine job. He also thanked Gerda and other board members for assisting him with convention planning.

College and University Section: Ann Hare reported that the section had mailed a newsletter during the summer to announce its September 10th workshop, sponsored jointly with the USC College of Librarianship, on Inferential Statistics. The section's convention program on "In-House Staff Development" is being co-sponsored by the Library Administration Section.

Public Library Section: Jan Buvinger reported that the section had done a mailing to advertise the "Swap & Shop" table at the convention.

School Library Section: Cate Townsend reported that her section voted in favor of merging with the Children & Young People Section. Final steps for the merger will be taken at the convention business meeting.

Special Library Section: Erma Kauer reported that the section has completed and distributed the Director of Special Libraries. As a result of publication the section and SCLA have gained some new members. Copies of the directory may be purchased by non-members of the section.

Children & Young People's Section: Ginger Shuler reported that the proposed name for the combined sections, Services for Children and Youth, will be voted on at the joint business meeting.

Library Administration Section: Susan Husman reported that the Nominating Committee was comprised of Betty Crayton, Margie Herron, Robin Mills, and Mike Kronenfeld. Pat Ryckman of Chester County Library was nominated for Vice President/Chairman Elect and Monetta Redslob of Aiken Technical College was nominated for Secretary.

Public Services Section: George Needham reported that plans are complete for a November 19th workshop on Interlibrary Loan. The section mailed 200 copies of its annual newsletter in September. Plans are underway for a joint workshop with the Library Administration Section on library marketing.

Trustee Section: Gerda reported for Pat Doyle on three activities: the Legislative Awareness Workshop in November, 1981, Legislative Day in February 1982, and two regional trustee meetings in York and Marlboro.

GODORT: Plans are underway for another documents-related workshop, liaison efforts with SELA to establish a GODORT group, continued efforts toward the state plan for federal documents, and an updated and enhanced directory of federal, state, and local documents collections in South Carolina.

JMRT: Patricia Bradley reported on her activities concerning the Baker & Taylor Grassroots Grant.

## **STANDING COMMITTEE REPORTS**

Intellectual Freedom: Dan Barron reported that the Social Issues Resources Services, Inc. (SIRS) would like to sponsor an intellectual freedom award in South Carolina. The award would give \$500. to an individual librarian and \$500. to the librarian's institution for outstanding accomplishments in the area of intellectual freedom. Recipients of the award would be chosen by the Intellectual Freedom Committee on the basis of outstanding achievement rather than on an annual basis. Dan moved on behalf of the committee to accept SIRS offer to establish an award. The MOTION was passed by the board.

Nominating Committee: Bill Summers reported that 187 ballots were cast and the following officers elected: Drucie Reeves, Vice President/President-Elect; Margie Herron, 1st Vice-President; Anne Middleton, Secretary; Donna Nance, Treasurer.

Membership Committee: Susan Roberts, 1st Vice-President, reported a total membership of 742. She have special thanks to John Sukovich for membership publicity in New & Views and to Donna Nance for membership printouts for the committee.

## **SPECIAL COMMITTEE REPORTS**

Interlibrary Loan Committee: John Landrum will move to adopt the revised ILL code at the business meeting. This does not change the protocols but is merely a restatement of the previous agreement.

## **OTHER REPORTS**

SELA Representative: Ken Toombs reminded the board of the upcoming SELA meeting in Louisville on November 10-13.

South Carolina Librarian: Larry Mitlin reported that the fall issues would be in the mail next week. Although it is the smallest issue ever, Larry thinks the quality is very good. He pointed out a coupon advertisement by Faxon and urged everyone to send it in.

## **NEW BUSINESS**

Gerda reminded everyone to attend the exhibit ribbon-cutting at 12:00 noon. Bill Summers commended Gerda, Paul, and Donna for their careful financial management in a tight budget year for SCLA. Paul Dove complimented Gerda on her fine job as president and her moral support and special help in organizing the convention.

There being no further business, the meeting was adjourned.

#### SCLA BUSINESS MEETING

The business meeting of the South Carolina Library Association was called to order by President Gerda Belknap at 10:50 a.m. on Saturday, October 9, 1982.

A MOTION was made by Donna Nance to dispense with the reading of the minutes of the previous meeting. The MOTION was duly seconded and passed.

Treasurer's Report: Donna Nance reported that SCLA had collected more than the amount budgeted for personal dues in 1982. Donna gave special thanks to 2nd Vice-President Susan Roberts and her Membership Committee for their hard work. There are no figures available for convention income yet, however there were a total of 414 persons registered. Donna reported that she had opened a Ready-Asset Account with Merrill Lynch to produce income. In responding to a question from the floor, Donna said she had investigated an interest-checking account and found it not to SCLA's advantage.

President's Report: Gerda commented on the experience gleaned from the joint SCLA/NCLA Convention in Charlotte. She said she felt the new by-laws which changed the tenure of officers and the dues structure have worked well this year. SCLA had operated under a low budget this year but had managed to squeeze by thanks to some cost-cutting measures. Gerda pointed out that one of the strengths of SCLA is providing money directly to the sections for their operating expenses. She listed the three areas of concern which were emphasized this year: future planning, professional growth and development, and intellectual freedom.

Nominating Committee: Bill Summers reported that 187 ballots were cast; none were void. The following officers were elected: Drucie Reeves--Vice President/President-Elect; Margie Herron--2nd Vice President; Anne Middleton--Secretary; Donna Nance--Treasurer.

Interlibrary Loan Committee: Copies of the revised IIL code were distributed. John Landrum moved that the revised code be adopted. The MOTION carried.

#### OLD BUSINESS

Catherine Lewis reported on the White House Conference on Library and Information Services Task Force which was formed to monitor the results of the White House Conference. Two delegates from each state serve on the Task Force. South Carolina's delegates are Mrs. Lewis and Sam Hudson from Georgetown. They attended a meeting in Atlanta in September. A layperson was elected chairman of the Task Force. Mrs. Lewis pointed out that

discussion was politically oriented with an eye on legislation in Congress. Plans are being made now for a White House Conference in 1989. Task Force members feel that there were many positive results from the conference and want to keep that spirit alive.

## **NEW BUSINESS**

A MOTION to prepare a resolution concerning the late J. Frank Nolan's service as a Florence County Library trustee and a past-president of SCLA was made by Ken Toombs. The MOTION was duly seconded and passed.

Gerda Belknap thanked Paul Dove for an outstanding convention program, Susan Roberts for her diligent membership drive, and Sarah McMaster and Donna Nance for their service as Secretary and Treasurer. Gerda paid special tribute to Lou Whitmore for her service above and beyond the call of her duties as Executive Secretary. After that she passed the gavel to Paul Dove who declared the convention adjourned.

He announced that the 1984 SCLA Conference is scheduled to be held in Columbia. The 1985 Conference will be held in either Myrtle Beach or Charleston, depending on negotiations with hotels in those areas.

In the Vice President's report, Drucie Reeves stated that a theme for the 1983 Conference may possibly focus on networking and sharing.

Section reports followed:

College and University Section: Trish Ridgeway reported that a committee has been formed to follow through on establishing a chapter of the Association of College and Research Libraries (ACRL) in S. Carolina. The section, in cooperation with the Bibliographic Instruction Interest Group, has submitted a grant application to ACRL for a bibliographic instruction preconference or workshop.

About 30 persons attended. The section is now considering a follow-up workshop for late Spring on software. The section is also planning to produce a brochure to recruit members for both the Special Libraries Section and SCLA since there are many special librarians in SC who are not presently members.

Two-Year Colleges: Barbara Yonce reported that a ballot to elect officers has been mailed out to section members since there were not enough members present at the annual SCLA Convention to constitute a quorum. Two amendments to the by-laws concerning term of office and quorum requirements were also included on the ballot. A program committee and workshop coordinator have been appointed.

The workshop drew 63 participants representing various types of libraries. The On-Line Interest Group is about to complete an on-line directory which will be published in the Spring, 1983 issue of SC Librarian. Work on the convention has begun; Bob Watson of the Texas State Library, an expert on microcomputer applications, has been contacted as a possible program speaker.

Technical Services: Charmaine Tomczyk reported that plans are under way for a workshop this Spring.

Trustee: In the absence of Evelyn Welborn, Jim Johnson reported that a regional trustee workshop had been held recently in Anderson County.

JMRT: Melinda Hare identified an increase in membership as one of the principle objectives of the roundtable this year. JMRT board members were to meet on Dec. 13 to discuss program plans. JMRT will be distributing information packets to library science students and other prospective members. Topics being considered for a spring or summer workshop include library management, software packages, grant writing, and stress management. The section is also considering a JMRT Grass Roots Grant Award luncheon.

No representatives from standing committees were present. Paul Dove reported on the activities of the Intellectual Freedom Committee chaired by Dan Barron.
